

POSTER PRESENTATION GUIDELINES

Dear colleagues.

we are pleased to know that we will meet very soon in Chile after a long time. Below we share with you the guide for poster presentations.

Important

If you are not able to present your work for any reason, you are kindly requested to contact the conference organizing mail isds2022@massoeventos.cl, immediately and notify us of any change of presenter or withdrawal.

Specifications for Poster Presentations

- Poster format: Portrait.
- Poster size: 120 cm (length) X 80 cm (width), larger or landscape posters will not fit the boards.
- Fixing materials for attaching your poster to the board will be available at the meeting.
- The official conference language is English.
- Your poster should include: Title, authors, authors' affiliations, introduction, methods, results and conclusion.
- Font size – your poster should be easily legible at a distance of 1.5 meters.
- When presenting data and health information (including photos) all presenters must have informed consent compliant with human subjects and applicable regulations.
- Authors must disclose possible conflicts of interest.
- The official conference language is English.

Posters will be put up on poster boards, boards will be marked with your submission ID. Please set-up your poster on Wednesday August 24th evening or Thursday 25th morning. We want you to keep the poster on the boards so everybody can look at your work during the whole meeting.

You can search the program for poster presentation following this link <https://www.isds2022.com/program>, be aware that some changes might be done to the program closer to the meeting.
